AFFIRMATION OF BAPTISM

Affirmation of Baptism is a special rite in our church to celebrate and affirm the on-going work of the Holy Spirit in the life of a group of young people that began in their baptism. In baptism, we are known and claimed by God as beloved children. We are surrounded with prayers, promises and a community to help us grow in faith as our disciple identity develops. Affirmation of Baptism, also known as Confirmation, follows a period of time of preparation – studying and discussing the Scriptures and the foundations of the Christian faith from a Lutheran perspective, praying and developing relationships with one another. Today is a rite of passage for these young people into the next stage of their lifelong learning. From this day forward, they take responsibility for their continued discipleship and faith formation. We are grateful for the teachers, mentors, families and friends who have walked with them to this point. Now, we thank God for this special opportunity to affirm our congregational support and accompany them on this next leg of their faith journey.

At the end of the rite, we respond together in celebration.

Leader: Let us rejoice with these sisters and brothers in Christ.

Congregation: We rejoice with you in the life of baptism. Together we will give thanks and praise to God and proclaim the good news to all the world.

May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit. Romans 15:13
