

STEWARDSHIP & GIVING AT FIRST LUTHERAN

What is stewardship?

Stewardship means wisely caring for something that belongs to someone else. The Bible calls us stewards of God's creation. That means everything in creation belongs to God, not us, and we are called to take care of those things for God and to wisely use those gifts. In Christ, we are all shaped to be stewards.

What is Annual Stewardship?

Each fall, we have a season of stewardship to invite members and friends of First Lutheran to make a financial pledge for the next year's annual operating budget.

When do I start giving?

First Lutheran is asking you to make a pledge or commitment for 2024. In other words, by pledging you are letting the church know what you plan to give during the fiscal year beginning January 1, 2024.

What is a pledge?

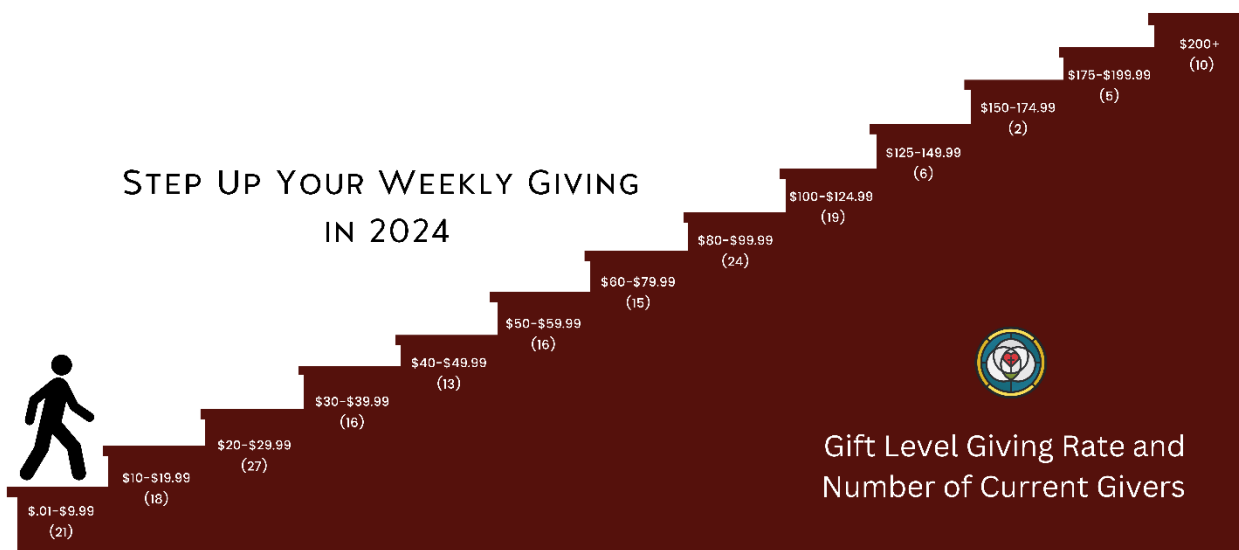

An annual pledge is a commitment in faith to give to the church's annual operating budget in the coming year (in this case for 2024). Your pledges help us know what to expect in our budget and plan our ministry year.

Who should pledge?

EVERYONE! Whether you're new to the congregation or a longtime member, whether you worship online or in-person, you are called to pledge!

- **If you have never pledged before, now is the time to start!** Every gift matters at First Lutheran and makes an impact on our mission and ministry. So, yes, even a pledge of \$1 a week matters and helps us meet our goal of seeing new pledgers this year. *Every* gift impacts our ministry and mission to make disciples of Jesus Christ for the transformation of the world.

- If you are a return pledger, now is the time to consider increasing your pledge. We encourage you to “step up” to the next level of giving—see the information to the right about how to step up in your giving in 2024.

When I make a pledge, what will the money be used for?

These gifts go toward the church’s operating budget. This includes all the expenses of day-to-day ministry at First Lutheran including worship expenses, local and global outreach (local, synod, and global benevolence), youth and family ministry, utilities, maintenance of our building and grounds, and staff salaries.

How much should I give?

First Lutheran encourages our members to use the biblical standard of the tithe (10% of annual income). Most Christians don’t start at 10% but choose a starting percentage point, such as 0.5% or 2% of their annual income, and then work to increase that percentage year by year. Of course, this is a decision for each household to reach prayerfully. Our goal is to see each member giving in faith, in gratitude, and in love.

Why are we talking about money?

We address Stewardship for four weeks each year. For Christians, money is not secret or off-limits. It belongs to God. Jesus talked about it a lot. We don’t do high-pressure talks, but we want to be always willing to talk about it.

How can I submit my pledge?

Online at www.flclincoln.org/stewardship (preferred) or via a physical pledge card available from the church. Pledge cards may be returned in the offering plate, via mail, or at the church office
